

Institute for Career Development

The purpose of the Institute is to provide resources and support services for the education, training and personal development of the Employees of the Company, including upgrading their basic skills and educational levels.

These are many opportunities that could be utilized to help and support a career change or just improve your knowledge.

There is money available for online classes, in-school classes, college classes or just some skill you would like to learn.

For more information, please call: 304.748.8080
or contact Mike Vitello on his cell: 740.944.1658

This program is designed for employees on layoff and/or retirees.
